## Honeymooners

### Romantic things to add to your itinerary

#### Yungaburra

Book a relaxing massage through your accommodation.

Leisurely cruise on Lake Barrine, and a Devonshire Tea at the Teahouse on the lake's edge.

Dinner at an award winning Yungaburra Restaurant.

Pick up a dozen roses from Roseburra Rose Farm near Yungaburra.

Buy some salads and cold meat or chicken from the Deli at the foodmart, and pack a picnic to have at one of the lovely natural attractions, like Lake Eacham, Millaa Millaa Falls or Mt Hypipamee.

Take a romantic sunset cruise. (see Tours Page)

#### Mareeba

Hot air ballooning here on the Atherton Tablelands is the cheapest in Australia. Stop saying One Day - Do it on your Yungaburra holiday! Meet at Mareeba Heritage Museum.

#### Malanda

Take in a movie at the historical Majestic Theatre, a traditional country picture theatre that has thankfully survived, original oak framed canvas chairs and all. Latest release double features are shown Friday and Saturday nights.
