The Coffee Works - In Mareeba The Coffee Works offers coffee tasting and tours of the factory where they process the beans. If you get hooked on a special blend, they have mail order as well!

Golden Pride Mango Winery - On the other side of Mareeba, turn right at Bibohra and follow the signs to the Mango Plantation and large processing shed. Inside you will find wine tasting. A small fee is charged, but refunded on purchase of the lovely packaged wine. An unusual gift for friends.

NQ Gold Coffee Plantation - Go back towards Mareeba, but turn right at the Dimbulah Road. About 10mins on the right, look carefully for the sign and turn in. Make your way to the processing shed. There you will find Bruno and his family working, chatting and drinking coffee. Friendly, genuine and informal. Tours conducted free of charge when they can. Purchase fresh coffee or coffee beans.
